Cotswolds Dry Gin

A delectable blend of nine carefully considered botanicals, the dry style comes from the juniper, coriander and angelic root which has been left for 12hrs to infuse. It is then blended with lavender, bay leaf, grapefruit, lime, black pepper and cardamom seed, producing a well balanced juniper led gin with crisp citrus and spice. Suggested Serve with Naturally Light Tonic Water.

£6.90

Botanist

From the Isle of Islay, a 17hr distillation produces a complex but floral gin, encompassing the aromas of orris root, cassia bark, coriander and juniper berry to name a few. Suggested Serve with Premium Tonic Water.

£6.90

Silent Pool

24 botanicals carefully chosen for their uniqueness, Silent Pool is earthy and spicy yet has tones of citrus and is smooth and floral. Suggested Serve with a dash of Premium Tonic Water.

£6.90

The London No 1

Consisting of 12 different botanicals creating a unique gin, this gin offers a complex but elegant taste with a fusion of bergamot oil. Suggested Serve with Ginger Ale.
